

FOR IMMEDIATE RELEASE:

STATKING Signs Agreement to Provide Webinar Content

Cincinnati, OH – January 15, 2012 – STATKING Clinical Services, a Cincinnati-based Contract Research Organization (CRO), has signed an agreement with Bioindustry Support Solutions (BSS), LLC, located in Scottsdale, AZ, to produce a series of webinars dealing with topics relevant to the clinical trials industry. STATKING staff will provide technical content for these webinars while BSS will manage and host the webinars. STATKING CEO, Dennis W. King, commented, "These webinars will showcase the expertise of several members of our highly experienced staff. Their input in these webinars will be of value to many in the clinical trials industry." C. Robert Eaton, President of BSS, added, "We look forward to assisting STATKING in providing high-quality content to the industry in a cost-effective way." The first of these webinars will be broadcast in March 2012.

About STATKING Clinical Services

STATKING Clinical Services provides clinical trial services (biostatistics, clinical data management, clinical study monitoring, medical writing, safety reporting, project management and clinical trial management) for clinical trials for the regulatory approval of novel drug and medical device products. The company is headquartered in Fairfield, OH. The company has provided support on 12 NDAs and 13 PMAs over the past two decades of service to the pharmaceutical and medical device industries.
